

FIDDDES HARD WAX OIL

A blend of natural oils and waxes offering exceptional durability and resistance for internal timber surfaces including floors, bench tops, furniture and areas subjected to a high degree of wear.

Produces a quick drying natural water repellent, tread-fast finish that will not peel or flake. Hard wax oil is easy to maintain and as a natural replenishable product it is easy to rejuvenate timber when required.

Key benefits of Fiddes Hard Wax Oil:

- Clear available in 4 Sheen levels – Matt, Silk, Satin and Gloss
- Pre-Tinted range in 12 colours
- Customisable – Tinted colours can be mixed together or with the clear
- Suitable for all internal timber e.g., floors, kitchen bench tops, furniture
- Suitable for any porous surface e.g., Concrete, cork, stone etc.
- Quick Drying (under 4 hours in correct conditions – fully cured in 7 days)
- Highly Durable – More durable than buffed in HWO's and no need to add additional hardeners
- Replenishable – no need to re-sand before applying maintenance coats
- Suitable for application onto children's toys – EN 71 – Toy Safety Test
- Water Resistant: Tested in accordance with BS 3900 G5
- Resistant to wear: Tested in accordance with BS 3900 EI5
- Slip Resistant rating of R11 out of the tin – no need to add anything
- Easy to use – clear HWO simply rolled on using a short nap roller (see application instructions and YouTube Videos for further details)
- No need for special Maintenance Oils
- Excellent coverage rate – approx. 25sqm per litre
- Does not react with silicone or putty
- Non yellowing
- Anti-Static
